

German Valley Days

July 14-16, 2023

Dear Friends of German Valley Days,

Here we are again, in the planning stages of another German Valley Days event. This year promises to be special since it marks the 175th Anniversary of the settlement of our little village. In 1848 the first structure was built at what is now the corner of Rock City Road and Church Street. German Valley Days itself is celebrating its 50th Birthday. The first event, a Corn Boil, took place in 1973 to raise funds for the development of the Ben Miller Park. It has since blossomed into the multi-day event we know today.

Already lined up are many favorite attractions: Pancake Breakfast, Pork Chop Barbecue, 5K Run, Parade, Bounce Houses, Around the World Basketball Tournament, Pig Scramble, Car Show, Bags Tournament, Prize Bingo, Entertainment, and, the big Fireworks Display. A Community Church Service and Whiffle Ball Tournament are being added on Sunday this year.

In order to provide a full schedule of events we will need everyone's financial help. We will still have the usual large expenses such as sound & light, entertainment & advertising as well as prizes. We depend on your assistance. Please remember, no donation is too small. We truly appreciate every dollar given.
