

# 2024 German Valley Days Donation Form

Friends of German Valley Days,

Please consider donating to our annual German Valley Days weekend, to be held July 19-21, 2024, sponsored by German Valley Lions and the Village of German Valley. Our summer celebration has been an annual event for more than 50 years, all because of the hard work and donations of our community members and businesses. Our total expenses to provide for this event in 2023 was just under \$24,000. Along with countless hours of time donated to those who organize and work at the event, it is a huge event for our small town. Therefore, we are grateful for any and all donations, both financial and time. We do our best to provide free entertainment, and when fees are involved, to make them as reasonable as possible.

If you would care to donate, please indicate your preferences on the attached form and return it to the address listed below. Sponsorships are available as date of submission, so if you have an event you would prefer, submit early.

Thank you for your support!
